

BED SHEET SET

The most cost-effective, hygienic and safest solution on the market for hospitals and nursing homes

1

Value for money

8 cotton sheets for 1 Elsanek 90 sheet!
Eliminates the need for ironing. Lasts for up to 800 washes.
Price difference pays for itself starting with wash number 30-40.
40% energy savings

Safe

Anti-bacterial and hypoallergenic fabrics (complies with Acute Dermal Irritation/Corrosion OCDE 404/2002).
Oeko-Tex certificate (class 1).

2

Comfortable

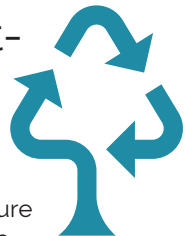

Smooth touch.
High transpirability: skin constantly dry. Quickly transfers dampness to the exterior (reduces risk of ulcers).
Maintains the natural body temperature.

4

Environment-friendly

Reusable > 800 uses
Fully recyclable
The low drying temperature releases less CO2 into the atmosphere.

Washing instructions:

-  Wash between 40°C and 75°C
-  Drying:
Dryer: 40°C (recommended) - 60°C (max.)
5-10 minutes (depending on load)
Flatwork ironer: (recommended), no higher (optional)
-  No ironing required
